CAFOD Harvest Fast Day is Friday 2 October 2015: Hamani lives in a remote village in Niger. Life is incredibly tough there. With longer and hotter dry seasons, it is becoming more and more difficult to grow crops. Just three years ago, drought destroyed much of the harvest Hamani and his neighbours were dependent on. Your generosity provided Hamani's community with enough basic food to keep them alive. But his community don't want to rely on handouts. They want to be self-sufficient. Your support this Harvest will ensure millions of people around the world are able to grow enough food to eat. Signing up to 'Hands On' in Niger, you will be supporting an entire community of people in Niger with the tools and knowledge to not only survive the most extreme droughts, but to flourish. See your parish envelope for more on giving at Harvest Fast Day and how to take part in this life-changing opportunity.

Parish is part of the Archdiocese of Birmingham Registered Charity No 234216.
